II. Basis for Jurisdiction:

Federal courts are courts of limited jurisdiction. Only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case involving the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one state sues a citizen of another state and the amount in damages is more than \$75,000 is a diversity of citizenship case.

A. What is the basis for federal court jurisdiction? (check all that apply)

Federal Questions

Diversity of Citizenship

B. If the basis for jurisdiction is Federal Question, what federal Constitutional, statutory or treaty right is at issue? NOT Applicable.

C. If the basis for jurisdiction is Diversity of Citizenship, what is the state of citizenship of each party?

Plaintiff(s) state(s) of citizenship New Jersey.

Defendant(s) state(s) of citizenship New York.

Facts:

For case docket number 2012NY089076 (Nov 24th 2012)

P.O Robert Hall shield 8982 (NYPD) SMASHED my driver's side window of NYC yellow cab 2y85B with his steel bat, that broken glasses spread into my eyes, nose and mouth. He handcuffed me tightly, pressed me against concrete street hard, injured my hand, knee and retarded my breath function, disabled my leased NYC yellow cab 2Y85B in less than five minutes. Personal injury and private property damages had been done by P.O Robert hall, he also took my \$ 40 - \$50 US dollars, \$150 dollars value ray bend sun glasses and some other personal properties worth \$100 dollars unreturned, police did not even allow me to file a property lost report, he camouflaged his fault with his perjury charges in his police report against me that violated my civil right. I enclosed here with his police report and certificate of disposition from criminal court NYC, and my letter of brief explanation of this incident for your reference. I am the only victim involved in the incident, many pedestrians, five or six policemen saw it but nobody stopped P.O Robert Hall's brutality.

For case docket number 8111896 (Nov 11th 1988)

I was also perjury discriminately charged, conspiratorial, falsely convicted so called "assault police" which had been hidden for 25 years until Nov 24th 2012, I found in the similar incident recently. I am NOT GUILTY of all those injustice verdicts. After being discriminately tortured by handcuff on cell, threaten by electrical gun, toxic by experimental drug in Bellevue Hospital NYC, jailed for 78 hours, mugged \$35 by prisoner guard by the entrance before court room, these complains are all true, I want Federal court U.S not only to know these problems, to correct them, to compensate for the damages of the problem , but also to stop repeating them. I enclosed here with the certificate of disposition for Reference.

Relief:

I want the federal court U.S to do the following to me:

- (1) To stop NYPD's harassing, racketeering discrimination to a 69 years old U.S citizen.
- (2) To stop NYPD's unnecessary arrest, bully and torture to an Asian senior.
- (3) To stop police stealing my private properties.
- (4) To stop **NYPD abuse and injure minority** for their power desire satisfaction.
- (5) To stop NYPD to take advantage of minority's language hindrance as a target to be chosen for real arrest training purpose.
- (6) To stop NYPD overrule.
- (7) To protect my privacy from NYPD.
- (8) To stop NYPD's perjury charges and malicious, conspiratorial discrimination sentence to be convicted
- (9) To expunge the injustice, malicious life killing record "assault police". I am not guilty of this discriminate sentence, as I never touch any police in my life.
- (10) To estimate, pay the compensation of damages caused by the NYPD, the legal system corruption.

I did not even know until Nov 24th 2012 that for twenty five years I have been living under the negative shadow "assault police" that failed me in looking for decent career of my life, although the system sealed this record for that period, however, the damage was horrible, this alone say based on average forty thousand per year income that financial damage is unimaginable, which is not including psychological and physical damage, loss jobs etc. To answer to this question I would like leave to federal court to decide a reasonable, fair compensation for this case.

Thank you for your kind attention for this misfortune.

Very truly yours,

Stephen Koo.

Twenty five years ago, 10:30 am Nov 11th 1988, docket number 8N111896, of which I was falsely arrested at 41th street and 8th Ave by mid town south precinct at 357 w35th street NYC (NYPD), perjury charged "assault police", which was proved not exist, acquitted according to legal aid lawyer in1988, until recent a similar case opened on Nov 24th 2012, I founded the case 8N111896 of which I was misled foolishly, maliciously calumniated, defamed by the slander of "assault police" by NYPD with the aid of legal aid lawyer conspiratorially at that time. It has been twenty five years since I have been foolishly, unfairly, maliciously and prejudicially convicted by the injustice verdict of NYC criminal law system. I was tortured by handcuff on the bar cell, toxic by the test drug in Bellevue Hospital NYC, jailed 78 hours. A prisoner guard mugged of \$35, my hair cut money by the entrance just before court room on Nov 15th 1988. Although I was released I lost my down coat, electron book and some other personal properties. I refused to go for community services also, firmly claimed not guilty, few days later I came back to the court.

Three of us, a female judge, arrest officer and I were confined ourselves in a small court room about two hundred square feet in 100 center street criminal court NYC , instead of a grand jury trial I expected, a bench trial therefore started. Judge recorded testimony, asked officer to apologize for what he did to me first, then she fined me \$100, that I complained immediately was not fair to me, then she asked me how much I should fine you? I answered \$5 as a respect to the court. Judge's final decision was 15 days in jail in lieu of \$100 fine. She forced me to pay fine to avoid jail, however, the unfair decision not only disgracefully humiliated of my pride of being American citizenship but also racketeered my hard earned \$100, separated me from New York City's taxi business until 2010, two years later Nov 24th 2012, docket number 2012ny089076 was born, the disgraceful history seems repeated itself forever unimproved.

VIII

The following designated the name of incidence in which I Stephen Koo was a Victim physically injured, psychological disgracefully humiliated, my NYC leased cab window 2Y85B was damaged. These personal injury, property damages, plus my financial loss of the suspension of my hack license that caused by officer Robert Hall NYPD shield 8982 , as a result of his false arrest and his insufficient and inexperience of NYC public services.

Bergdorf Goodman and w 58th street

About 2:45pm, Nov 24th 2012, an angry black man, named Robert Hall shield 8982 stationed at 138 w30th street, Manhattan Traffic Task Force NYPD, walked quickly to my NYC yellow cab 2Y85B and without one word, Robert Hall hit my left side driver's window with steel bat like crazy, while I was waiting for bumper to pumper traffic of w58th street between Bergdorf Goodman, 5thAve, and Plaza Hotel NYC.

With 38 years training and experiences, a licensed NYC cab driver, I sensed the endangerment immediately and acted quickly away from him simply for the safe of my life and my leased cab, I did not aware of his identity at the moment simply because of the fear of his steel bat impact force against my window and the horrible memory that a black attacker of similar feature of officer Robert Hall, who assaulted me two weeks ago by the subway entrance in Long Island city NY, on Nov 9th 2012. I was injured also at time and I did report to 911 emergent in 108th precinct Long Island City NY, immediately after the crime.

About 10 ft to 15 ft from the first site of attack of the officer, Robert Hall changed from footing to driving .He rode a scooter marked NYPD that recklessly blocked my way, then he got out of his scooter quickly and rushed into my cab second time without single word, no siren, no light warning signals, Robert Hall with his steel bat, smashed my left driver side window madly and completely, broke it.

Consequently those broken glasses from the smashed window spread all over, into my eyes, mouth, nose and my face. I was paralyzed instantly. I was being pulled out off my driver's seat savagely and being pressed against hard concrete ground, finally I was tightly handcuffed, injured and disabled. Five hours later, I was send to St Luke Roosevelt Hospital, after I had requested medical care for my difficulty of breath, because of the effect of broken glasses all over my mouth, nose, eyes, and for my injured hand and knee. I have been still going for medical treatment periodically, because of the excess police brutal force. Robert Hall not only made personal injury, but also made property damages to public. I am one of victim.

2013

- ❖ By mid night Nov24th2012, I was transfer from 18th precinct 306 w54thstreet to100 center Street NYC. Where I was locked for over 30 hours and released by 8:00pm, on 25thNov 2012. With Release on own Recognizance, (ROR). Based on the fact of my refusal of 2 days community service, I was summoned to court appearance on Feb 4th 2013, @ 9:00am.
- ❖ In the defense of four counts of perjury charges, I stated as following:

(1) Unlawful flee a police officer's motor vehicle.

I was extremely horrified at the moment by Robert Hall's steel bat impact force against my window, after his silent approach to my cab, that reminded me of an assaulter that had the similar feature of P. O Robert Hall, who attacked behind me silently by the subway station on Nov 9th 2012. I was injured, I reported to 911 emergent at 108thprecinct Long Island City NY, immediate after the crime.

(2) Reckless endangerment in second degree.

It is impossible to do so, for w 58th street was bumper to pumper traffic moving intermittently at 5mph or under at the time.

(3) Resist Arrest.

I did the best to cooperate with police, even though I was paralyzed by those broken glasses of the window, I was pulled out of my driver's seat after he destroyed the window, handcuffed me almost simultaneously. I was unable and no time to response. This is absolute malicious perjury charge.

(4) Reckless driving not DNA eligible.

I have my drive eligibility medical certificate, licensed which ruled me out of this charge.

Adjournment contemplation dismissal (A C D) (F486526)seemed the only choice I can get, after argument with my legal aid society lawyer Ebette M. Fortune@ (212)2985205 and her supervisor Heather A. Smith (212)2985240, for full dismissal unconditionally after ruled out ridiculous "disorder conduct" and malicious perjury charges "assault police" in two round circuits arraignment appearances in the criminal court at 100 center street NYC ,on February 4th 2013. After defended all those irrelavent and perjury charges, the above (A C D) was issued.

All these effort are only for a safe New York City that for people to live, work and to enjoy. Thank you for your attention.

Very truly yours,

Stephen Koo

CRIMINAL COURT OF THE CITY OF NEW YORK
COUNTY OF NEW YORK

THE PEOPLE OF THE STATE OF NEW YORK

-against-

MISDEMEANOR

Stephen Koo (M 69),

Defendant

Police Officer Robert Hall, Shield 8982 of the Manhattan Traffic Task Force, states as follows:

The defendant is charged with:

1	PL 120.20	Reckless Endangerment in the Second Degree (1 count)
2	PL 205.30	Resisting Arrest (1 count)
3	PL 270.25	Unlawful Fleeing a Police Officer in a Motor Vehicle - 3rd Degree (1 count)
4	VTL 1212	Reckless Driving-Not DNA Eligible (1 count)

On or about November 24, 2012 at about 2:10 PM, at West 58th Street between 5 Avenue & Grand Army Plaza in the County and State of New York, the defendant recklessly engaged in conduct which created a substantial risk of serious physical injury to another person; the defendant intentionally attempted to prevent a police officer and peace officer from effecting an authorized arrest of himself and another person; the defendant, knowing that he had been directed to stop his motor vehicle by a uniformed police officer and a marked police vehicle by the activation of the lights and the lights and siren of such vehicle, thereafter attempted to flee such officer and such vehicle by driving at speeds which equaled and exceeded twenty-five miles per hour above the speed limit and engaged in reckless driving as defined by section twelve-hundred twelve of the vehicle and traffic law; the defendant drove a motor vehicle in a manner which unreasonably interfered with the free and proper use of a public highway and unreasonably endangered users of the highway.

The factual basis for these charges are as follows:

I observed the defendant operating a New York Taxi Cab with New York license plate 2X85B on a public street, West 58th Street, in that the keys were in the ignition, the defendant was behind the wheel and the engine was running. I approached the defendant's vehicle on foot and asked the defendant to roll down the car window and the defendant locked the doors, yelled at me, did not roll down the window, and sped off quickly into the crowded intersection at West 58th Street and 5th Avenue.

MISDEMEANOR

Stephen Koo (M 69),

Defendant

I further observed that the defendant cut off other motorists, made unsafe lane changes, stopped abruptly, and spun the wheels of his car and was travelling at a speed I estimated, based on my training and experience, to be greater than 25mph on a crowded motorway. I approached the defendant a second time on my police scooter and ordered him to turn off his motor vehicle and to unlock his door. The defendant then reversed his vehicle and began speeding in an eastbound direction. I again approached and ordered the defendant to turn off the motor vehicle. I then observed the defendant attempt to move the motor vehicle again.

When I attempted to place the defendant under arrest, he refused to get out of the motor vehicle and pulled away from me, making it difficult for me to arrest him. After Police Officer Michael Leone, Shield 24122, assisted me in removing the defendant from the vehicle, the defendant tensed up his arms and pulled them away to prevent me from placing him in handcuffs.

False statements made in this written instrument are punishable as a class A misdemeanor pursuant to section 210.45 of the Penal Law, and as other crimes.
